

# “Only the Strong Mod. 2” Challenge

## Objective:

This is a timed event. The goal of this challenge is to quickly reload your PCC once it is empty using only your strong hand. Once the competitor is staged and ready at the 15-yard line (PCC loaded and at the low ready position), they will check with the timekeeper and make sure they are ready. Once the timekeeper is set, the competitor will say “standby...GO” and begin the drill from the low ready (time starts on GO). While standing, the competitor will bring their PCC to the on-gun position and engage the silhouette steel target (pink) with 2 rounds. The bolt should lock to the rear following the last shot, at which point the competitor will perform a combat reload using ONLY their strong hand, then move to a kneeling position and reengage that same target. Again, the bolt should lock to the rear following the last shot, at which point the competitor will perform a combat reload using ONLY their strong hand, then move to a standing position and reengage that same target.
