

“That’s Goofy” Challenge

Objective:

This is a timed event. The goal of this challenge is to quickly engage a target with multiple rounds while your PCC is in your support hand. Once the competitor is staged and ready at the 25-yard line (PCC loaded and at the low ready position), they will check with the timekeeper and make sure they are ready. Once the timekeeper is set, the competitor will say “standby...GO” and begin the drill from the low ready, PCC in the support hand (time starts on GO). The competitor, using their support hand to shoot, will engage the silhouette steel target (pink) with 6 rounds. The time stops once the competitor gets a hit (ding) on their last target. To successfully pass this challenge, the competitor and the challenger(s) must complete the tasks in the allotted time frame.
