

“That’s My Jam” Challenge

Objective:

This is a timed event. The goal of this challenge is to successfully engage a target with multiple shots very quickly. This is similar to a rhythm style shooting drill. Once the competitor is staged and ready at the 15-yard line (pistol loaded and holstered), the competitor will check with the timekeeper and make sure they are ready. Once the timekeeper is set, the competitor will say “standby...GO” and begin the drill from the holster (time starts on GO). The competitor will draw their pistol from the holster and engage the silhouette steel target (pink) with 3 rounds in quick succession. The time stops once the competitor gets a hit (ding) on their last target. To successfully pass this challenge, the competitor and the challenger(s) must complete the tasks in the allotted time frame.
